Water & land Hoorn80

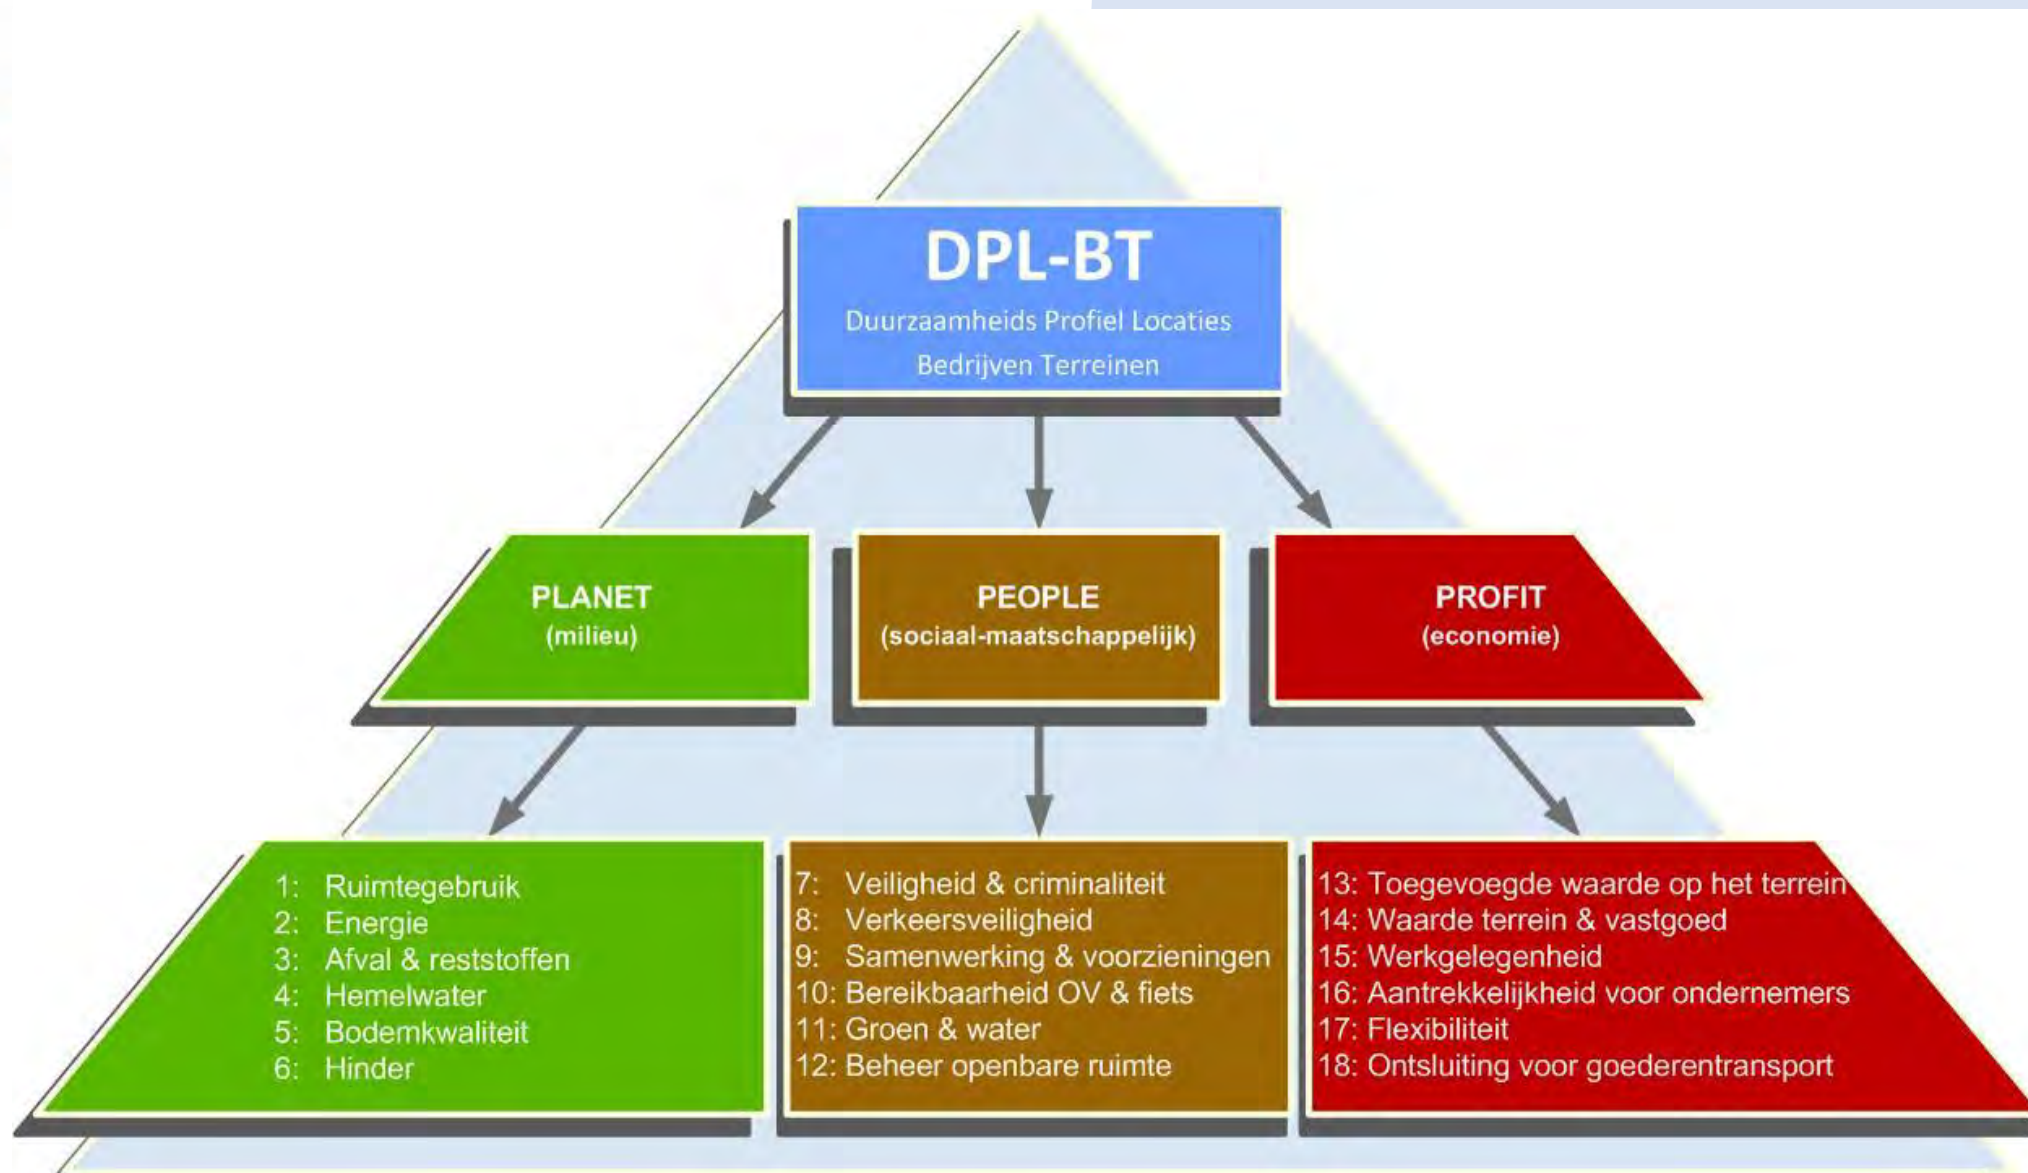

Met water naar de “100%”

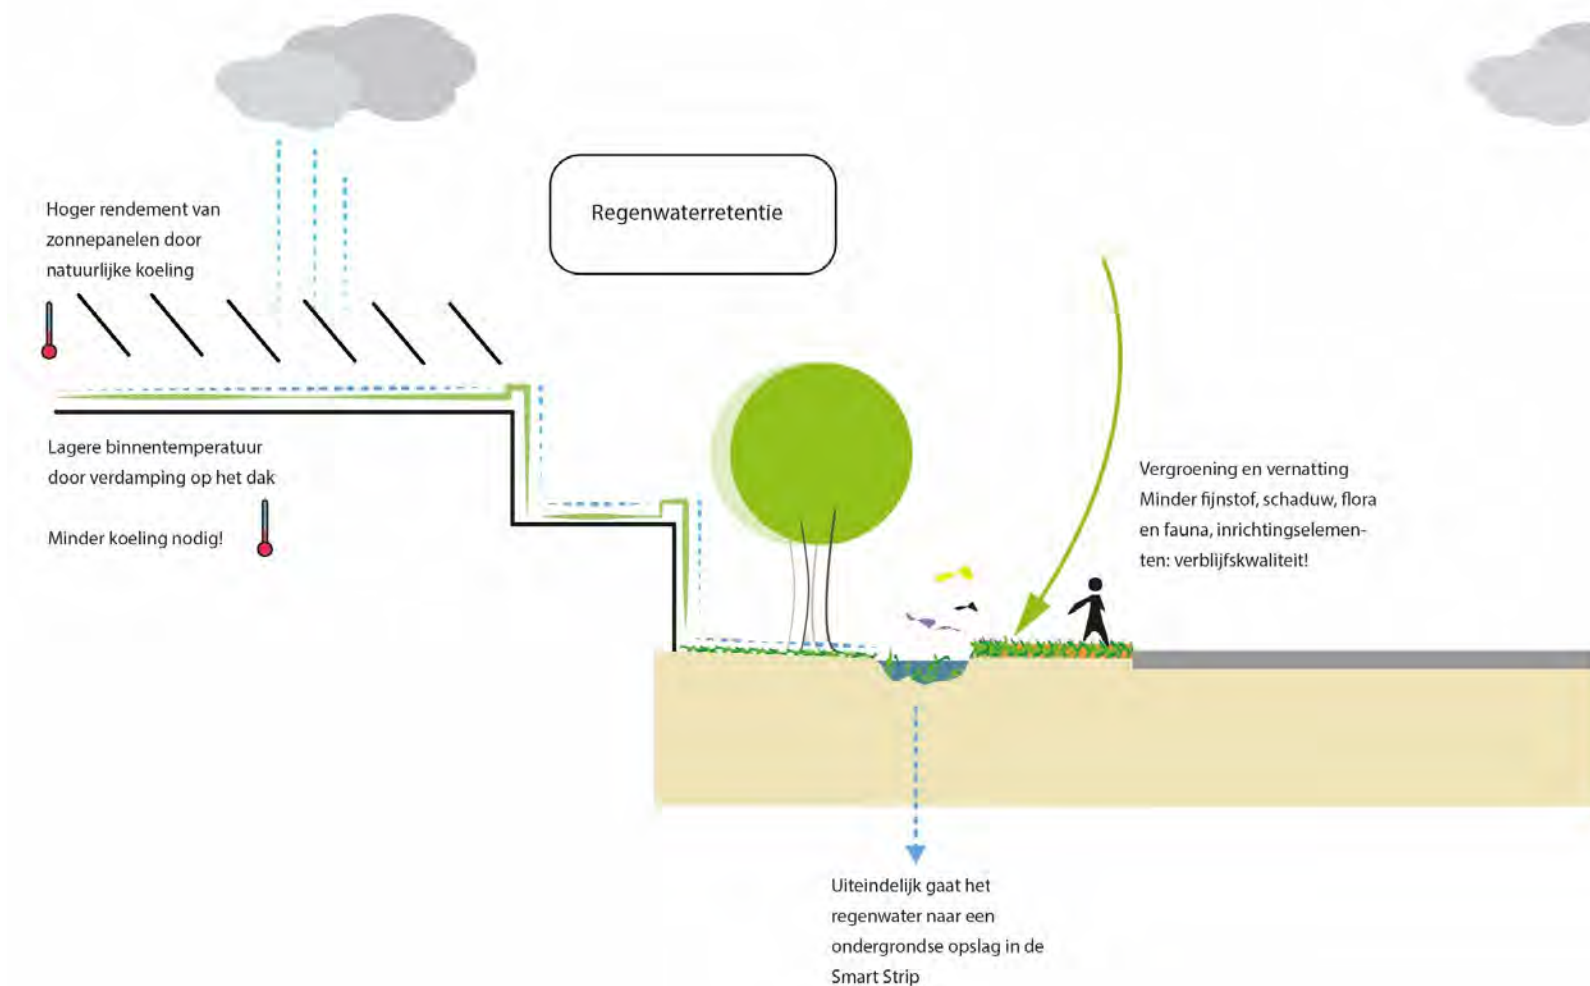

Energie uit water

Groen & identiteit

Retentie met regenwater

Mensen

Minder energieverbruik door transport door efficiëntere routing en verhoogd fietsgebruik

Transport en verkeer

Meer productiviteit door nabijheid van groen, gezonder werkklimaat en een omgeving die uitnodigt tot beweging en sociale interactie

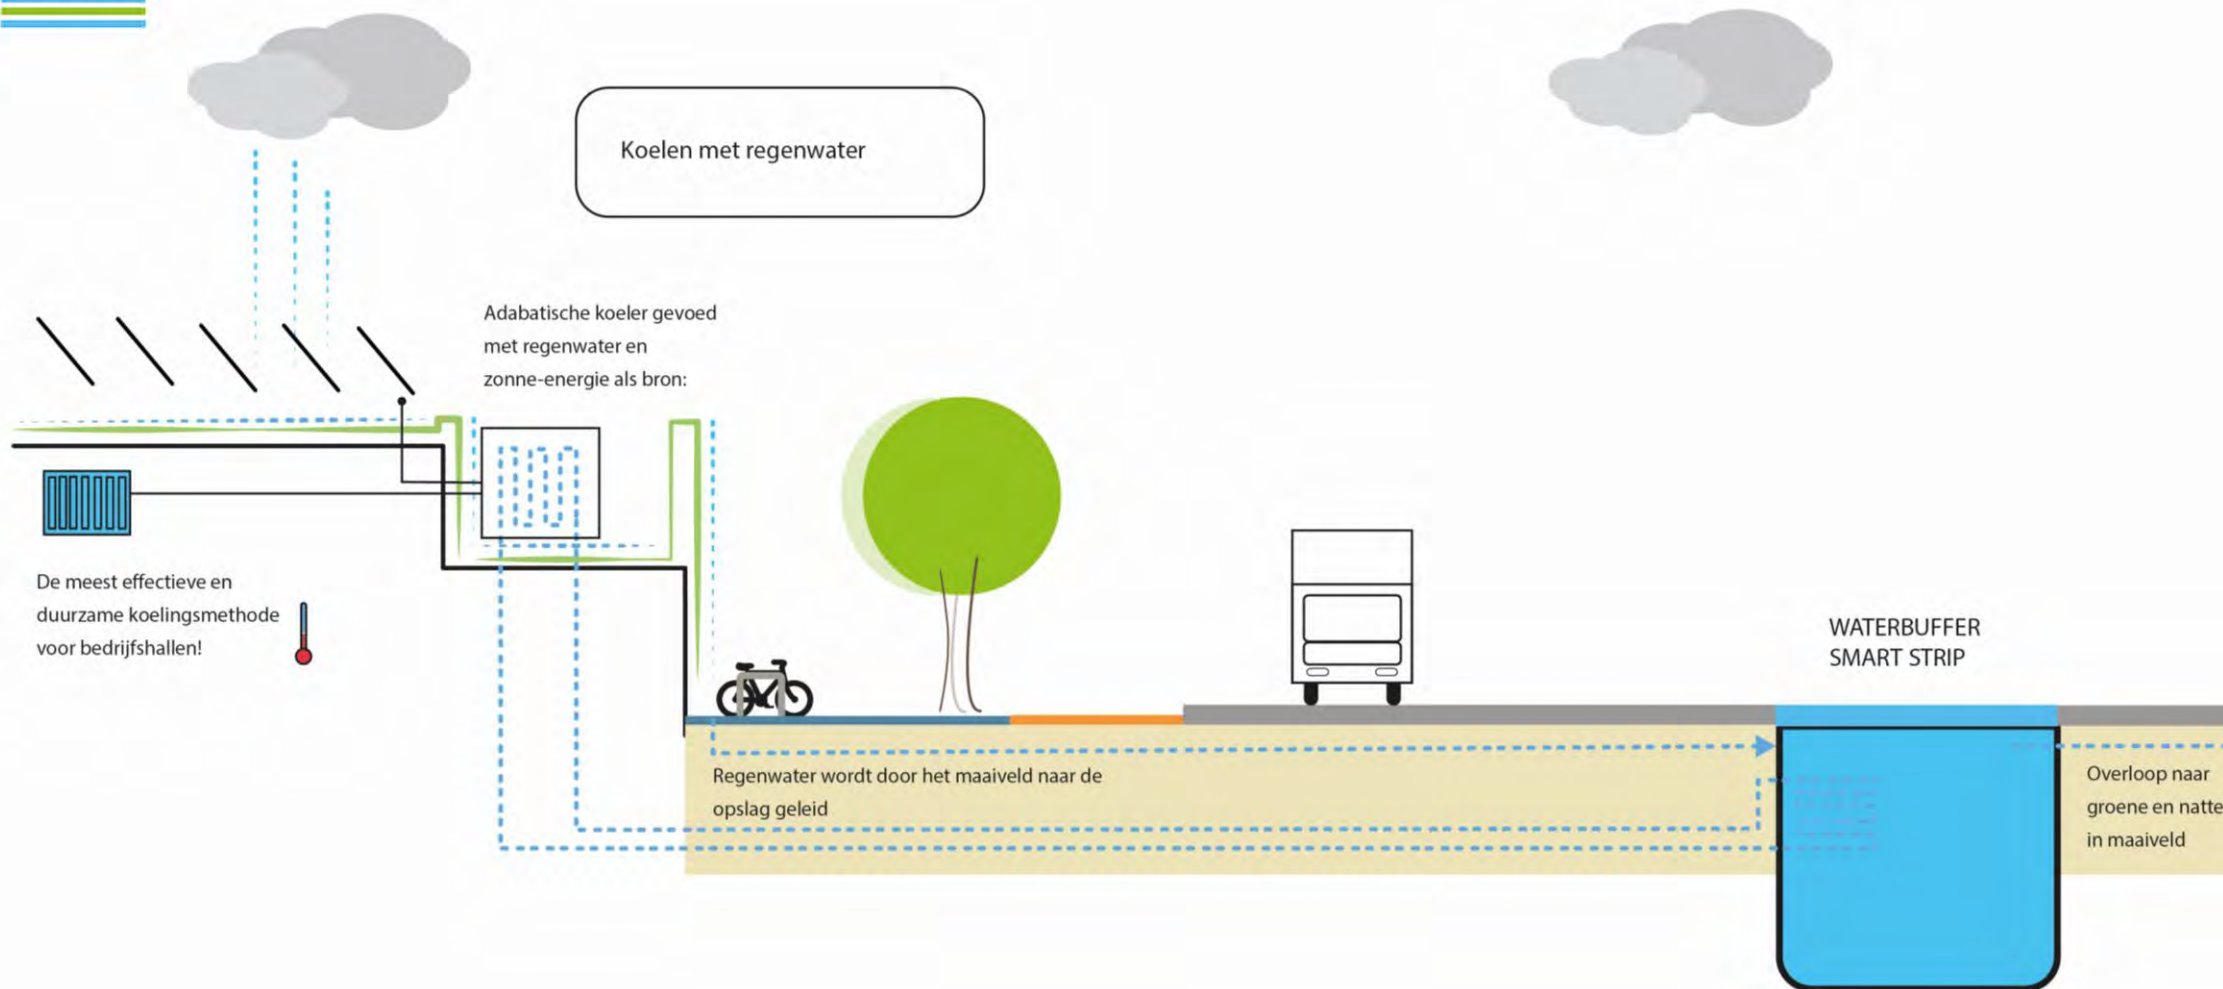

Productiviteit

Minder verzuim door nabijheid van groen, gezonder werkklimaat en een omgeving die uitnodigt tot beweging en sociale interactie

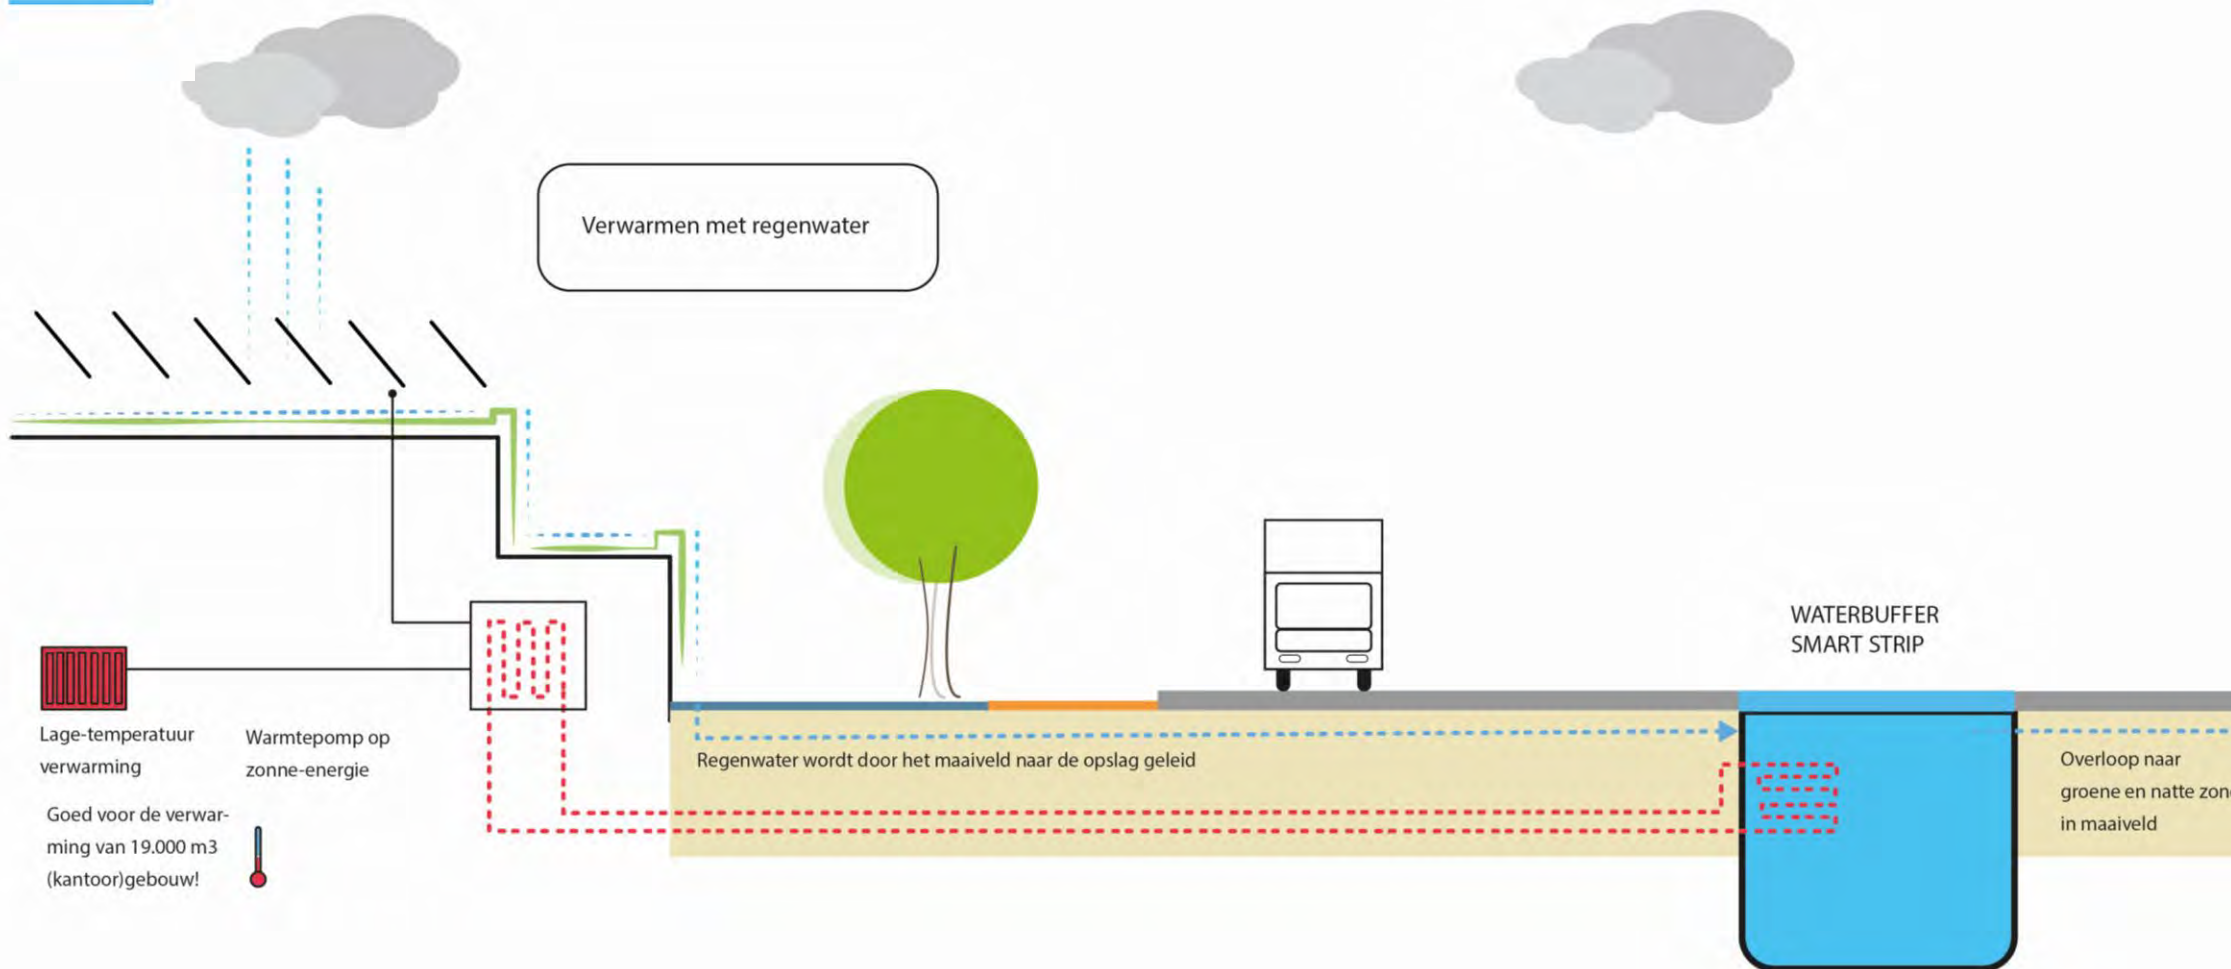

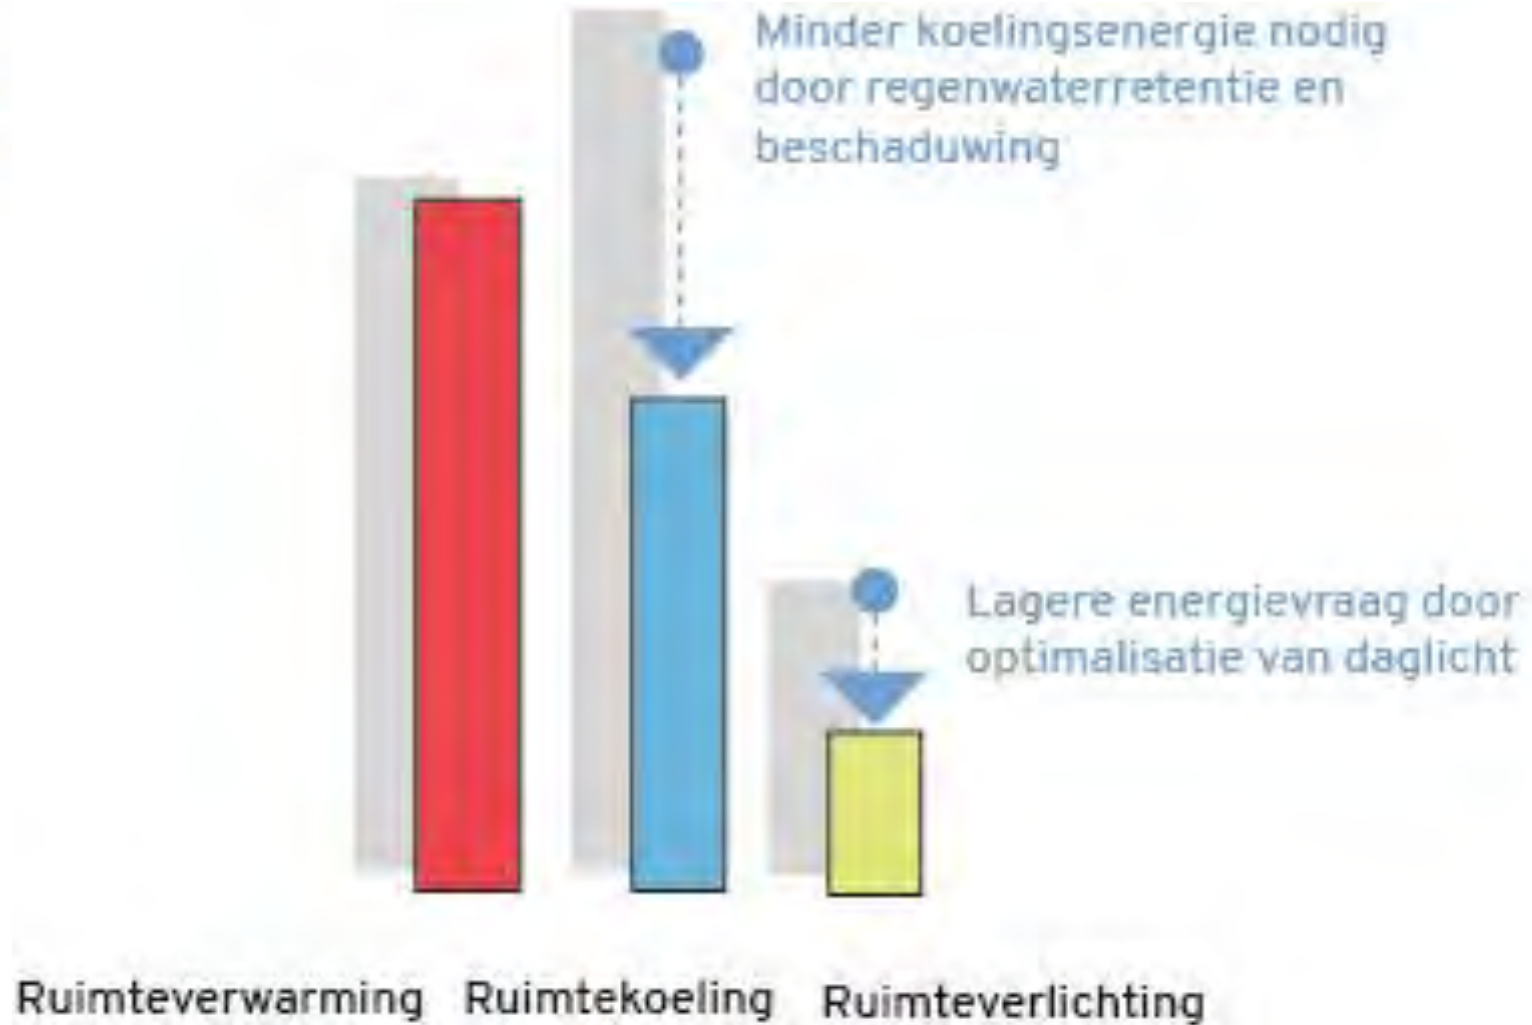

Verzuim

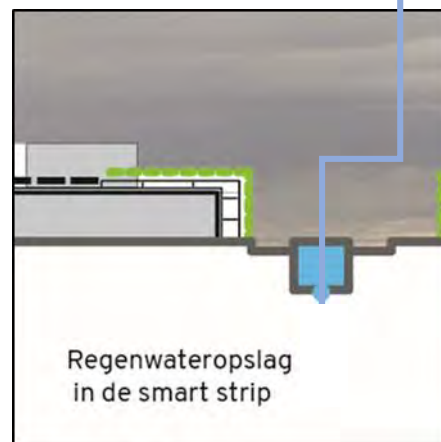

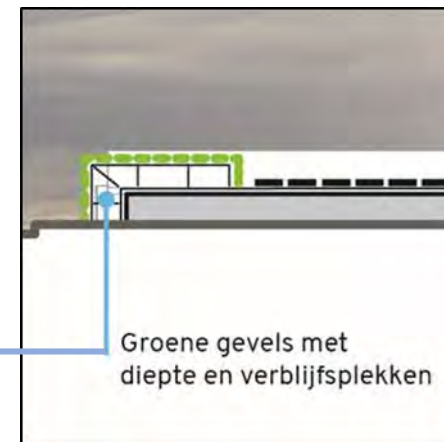

Verwarmen met regenwater

Koelen met regenwater
